

## KPDE150

**Product code:** KPDE150

**Manufacturer:** Kyosemi Corporation

### Features:

- Large sensitive area
- Low voltage operation
- Custom designed large area photodiodes is also available

### Applications:

- Laser power monitor
- Laser diode and LED aging equipment
- Near infrared sensing system
- Power meters

<b>Package</b>	TO-18, hermetic seal
<b>Responsivity (mA/W) @<math>\lambda</math>(nm)</b>	1.0 @ 1550
<b>Sensitive Area (<math>\mu\text{m}\phi</math>)</b>	1500
<b>Sensitive Wavelength (nm)</b>	900 - 1700
<b>Typology</b>	InGaAs NIR Photodiodes
