

KPDE300

Product code: KPDE300

Manufacturer: Kyosemi Corporation

Features:

- Large sensitive area
- Low voltage operation
- Custom designed large area photodiodes is also available

Applications:

- Laser power monitor
- Laser diode and LED aging equipment
- Near infrared sensing system
- Power meters

Package	TO-5, hermetic seal
Responsivity (mA/W) @λ(nm)	1.0 @ 1550
Sensitive Area (μmφ)	3000
Sensitive Wavelength (nm)	900 - 1700
Typology	InGaAs NIR Photodiodes
