

## KPDE300

**Product code:** KPDE300

**Manufacturer:** Kyosemi Corporation

### Features:

- Large sensitive area
- Low voltage operation
- Custom designed large area photodiodes is also available

### Applications:

- Laser power monitor
- Laser diode and LED aging equipment
- Near infrared sensing system
- Power meters

<b>Package</b>	TO-5, hermetic seal
<b>Responsivity (mA/W) @λ(nm)</b>	1.0 @ 1550
<b>Sensitive Area (μmφ)</b>	3000
<b>Sensitive Wavelength (nm)</b>	900 - 1700
<b>Typology</b>	InGaAs NIR Photodiodes
