

## A02

**Product code:** A02

**Manufacturer:** City Technology

Electrochemical AO2 cell for oxygen, range 0-100%, indicated for food storage applications and for automotive emission gas analyzers AVL, Beissbarth, Boston, Technomotor, Technotest, Texa, Crypton, Snap-On, Brain-Bee and many others.

With 3pin Molex connector.

Part number: AA428-210.

<b>Life expectancy</b>	> 24 months
<b>Output</b>	9 - 13 mV in air
<b>Measurement range</b>	0-100%
<b>Target Gas</b>	Oxygen
<b>Response Time</b>	< 5 seconds (T90)
