

A02

Product code: A02

Manufacturer: City Technology

Electrochemical AO2 cell for oxygen, range 0-100%, indicated for food storage applications and for automotive emission gas analyzers AVL, Beissbarth, Boston, Technomotor, Technotest, Texa, Crypton, Snap-On, Brain-Bee and many others.

With 3pin Molex connector.

Part number: AA428-210.

Life expectancy	> 24 months
Output	9 - 13 mV in air
Measurement range	0-100%
Target Gas	Oxygen
Response Time	< 5 seconds (T90)
