

A03

Product code: A03

Manufacturer: City Technology

Electrochemical cell for oxygen, range 0-100%, indicated for Bosch and Beissbarth emission gas analyzer and food storage applications.

With jack connector.

Part number: AA429-210.

Life expectancy	> 24 months
Output	9 - 13 mV in air
Measurement range	0-100%
Target Gas	Oxygen
Response Time	< 5 seconds (T90)
