SI200P/5/P

Product code: SI200P/5/P **Manufacturer:** Solartron

Orbit® ACS is a specific range of products which integrate contact and non contact linear measurement

transducers with an electronics module that includes an integral display. These products are excellent for a small

number of measuring points, are stand alone (i.e. do not require PSIMS or Orbit® Controllers) and have an integral

Modbus and ASCII interface plus flexible discrete I/O.

SI100 and SI400 versions are availability.

Accuracy	0.15% of the reading
Measurement range	5 mm
