

# XCG-CG240

**Product code:** XCG-CG240

**Manufacturer:** Sony

The XCG-CG240 (black & white) combines the best of Sony technology in a convenient form factor which is optimised for use within both the Industrial Vision and non-manufacturing vision markets. The XCG-CG240 draws upon Sony's market leading Global Shutter CMOS sensor technology, combining the IMX249 2,4MP sensor with a rich heritage of complete camera technology, bringing the best combination of performance and quality from a brand you can trust.

The XCG-CG240 incorporates the very latest Pregius high sensitivity technology for maximum visibility in challenging lighting environments.

The XCG-CG240 has a resolution of 1936 (H) x 1216 (V) with a frame rate of 41 fps and supports GigE Vision 1.2 / 2.0 with a one cable PoE capability.

|                                  |  |
|----------------------------------|--|
| <b>Pixel dimension</b>           | 5.86 um x 5.86 um                          |
| <b>Frame rate</b>                | 41 fps                                     |
| <b>Image</b>                     | Black & white                              |
| <b>Digital interface</b>         | Gigabit Ethernet (100BASE-TX / 1000BASE-T) |
| <b>Lens mount</b>                | C mount                                    |
| <b>Number of effective pixel</b> | 1.936x1.216                                |
