

XCG-CG240C

Product code: XCG-CG240C

Manufacturer: Sony

The XCG-CG240 (black & white) and XCG-CG240C (colour) combines the best of Sony technology in a convenient form factor which is optimised for use within both the Industrial Vision and non-manufacturing vision markets. The XCG-CG240C draws upon Sony's market leading Global Shutter CMOS sensor technology, combining the IMX249 2,4MP sensor with a rich heritage of complete camera technology, bringing the best combination of performance and quality from a brand you can trust.

The XCG-CG240C incorporates the very latest Pregius high sensitivity technology for maximum visibility in challenging lighting environments.

The XCG-CG240C has a resolution of 1936 (H) x 1216 (V) with a frame rate of 41 fps and supports GigE Vision 1.2 / 2.0 with a one cable PoE capability.
