

XCL-SG510C

Product code: XCL-SG510C

Manufacturer: Sony

The XCL-SG510C (colour) is the latest industrial cameras from Sony to incorporate Sony Pregius GSCMOS sensor technology.

The XCL-SG510C combines the best of Sony technology in a convenient form factor which is optimised for use within both the Industrial Vision and non-manufacturing vision markets.

Drawing upon Sony's market leading Global Shutter CMOS sensor technology the XCL-SG510C combines the highly innovative, high speed IMX250 5.1MP GSCMOS sensor with Sony's rich heritage of complete camera technology and a Camera Link interface, bringing the best combination of performance and quality from a brand you can trust.

The XCL-SG510C incorporates the very latest Pregius high sensitivity technology for maximum visibility in challenging lighting environments.

Pixel dimension	3.45 um x 3.45 um
Frame rate	154 fps
Image	Colour
Digital interface	CameraLink Version2.0
Lens mount	C mount
Number of effective pixel	2.464x2.056
