

## XCL-SG510

**Product code:** XCL-SG510

**Manufacturer:** Sony

The XCL-SG510 (black & white) is the latest industrial cameras from Sony to incorporate Sony Pregius GSCMOS sensor technology.

The XCL-SG510 combines the best of Sony technology in a convenient form factor which is optimised for use within both the Industrial Vision and non-manufacturing vision markets.

Drawing upon Sony's market leading Global Shutter CMOS sensor technology the XCL-SG510 combines the highly innovative, high speed IMX250 5.1MP GSCMOS sensor with Sony's rich heritage of complete camera technology and a Camera Link interface, bringing the best combination of performance and quality from a brand you can trust.

The XCL-SG510 incorporates the very latest Pregius high sensitivity technology for maximum visibility in challenging lighting environments.
