

AC230DC12-10000-EXT

Product code: AC230DC12-10000-EXT

120W industrial power supply, 90-264Vac input, 12Vdc 10A output, 85% efficiency.

Protection against over voltages, overload, short circuit, with automatic reset.

230Vac input isolation - 12Vdc output up to 3KVac.

Operating temperature range -20 + 70 ° C. MTBF over 450,000 hours according to MIL-HDBK-217F.

DIN rail mounting; metal box with passive dissipation.
