

## GUVVC-S40GD

**Product code:** GUVVC-S40GD

**Manufacturer:** Genicom Co., Ltd.

**Features:** Aluminium Gallium Nitride Based Material, Schottky-type Photodiode, Photovoltaic Mode Operation, Good Solar Blindness.

**Applications:** Pure UV-C Monitoring, Sterilization Lamp Monitoring.

|                   |                   |
|-------------------|-------------------|
| <b>Wavelength</b> | 220-280 nm        |
| <b>Output</b>     | Current           |
| <b>Package</b>    | CSP               |
| <b>Typology</b>   | AlGaN Photodiodes |
