

GUVB-T21GD-U

Product code: GUVB-T21GD-U

Manufacturer: Genicom Co., Ltd.

Features: Aluminium Gallium Nitride Based Material, Schottky-type Photodiode, Photovoltaic Mode Operation, Good Visible Blindness, High Responsivity & Low Dark Current.

Application: UV-B Lamp Monitoring, UV-B LED Monitoring.

Wavelength	220-320 nm
Output	Current
Package	TO-39
Typology	AlGaN Photodiodes
