

GUVB-S31GD

Product code: GUVB-S31GD

Manufacturer: Genicom Co., Ltd.

Features: Aluminium Gallium Nitride Based Material, Schottky-type Photodiode, Photovoltaic Mode Operation, Good Visible Blindness, High Responsivity & Low Dark Current.

Application: UV-B Lamp Monitoring, UV Index monitoring.

Wavelength	220-320 nm
Output	Current
Package	SMD 3535
Typology	AlGaN Photodiodes
