

GUA-C22SD

Product code: GUA-C22SD

Manufacturer: Genicom Co., Ltd.

Features: Gallium Nitride Based Material, Schottky-type Photodiode, Photovoltaic Mode Operation, Good Visible Blindness, High Responsivity & Low Dark Current.

Application: UV-B Lamp Monitoring, UV Index monitoring.

Wavelength	240-370 nm
Output	Current
Package	COB 2418
Typology	GaN Photodiodes
