

GUVA-T1xGD

Product code: GUVA-T1xGD

Manufacturer: Genicom Co., Ltd.

Features: Gallium Nitride Based Material, Schottky-type Photodiode, Photovoltaic Mode Operation, Good Visible Blindness, High Responsivity & Low Dark Current.

Application: Full UV Band Monitoring, UV-A Lamp Monitoring, Sterilization Lamp Monitoring.

Wavelength	220-370 nm
Output	Current
Package	TO-46
Typology	GaN Photodiodes
