

MP3010M-EV

Product code: MP3010M-EV

Manufacturer: Tamron

Tamron Ultra-compact Full-HD camera block with 10x optical zoom supports LVDS video output with 30-pin connector and features high sensitivity due to the implementation of a new Sony STARVIS image sensor.

With HDMI type D (Micro HDMI) connector, UVC/USB control and video output (up to 1080/30p) in addition to Full-HD digital video and LVDS SD (NTSC/PAL) analog video outputs.

Its small size (total length of 59 mm and weight of 70 g) makes it a perfect solution for integration in limited spaces.
