

## Z3Cam-4K Z8530N

**Product code:** Z3Cam-4K Z8530N

**Manufacturer:** Z3 Technology, LLC

Z3Cam-4K Z8530N IP camera offers HD video streaming over Gigabit Ethernet networks. Combining Z3 Technology's video conversion expertise with Sony CMOS sensor technology contained in 4K camera block, Z3Cam-4K offers the highest quality images with lower bandwidth, latency and power.

A 7-pin serial I/O allows PTZ control and offers GPS connection and a wide range of accessories. Z3Cam-4K, which complies with NDAA standards, can be used in video surveillance, security, inspection, even in low light environments.

<b>Power Supply</b>	PoE 12VDC
