Z3Cam-4K Z8530N

Product code: Z3Cam-4K Z8530N
Manufacturer: Z3 Technology, LLC

Z3Cam-4K Z8530N IP camera offers HD video streaming over Gigabit Ethernet networks. Combining Z3 Technology's video conversion expertise with Sony CMOS sensor technology contained in 4K camera block, Z3Cam-4K offers the highest quality images with lower bandwidth, latency and power.

A 7-pin serial I/O allows PTZ control and offers GPS connection and a wide range of accessories. Z3Cam-4K, which complies with NDAA standards, can be used in video surveillance, security, inspection, even in low light environments.

Power Supply	PoE 12VDC
Auto ICR	Yes
Family	Z3 Cam
Connection interface	Gigabit ethernet USB 3.1 RS-232
Lens	40x optical in 1080p30 mode 30x optical in 1080p30 mode 20x optical in 1080p30 mode
