

FCB-ER9500

Product code: FCB-ER9500

Manufacturer: Sony

The FCB-ER9500 is equipped with **Sony's STARVISTM 2** image sensor , ensuring outstanding image quality in both low and high light conditions.

Thanks to the **25x optical zoom**, incredible details can be captured in **high-resolution 4K video at 60 frames per second**, switching smoothly from wide-angle to telephoto.

The product line can be easily expanded with **4K, 4M** and **Full HD** models , all designed in a compact and lightweight body. This smart solution helps reduce system development costs without compromising performance.
